Title: Stormhaven

Author: Leshok Majere

Hail one and all, The
Kingdom of Stormhaven is
opening its gates for men
and women of all skills
whom wish to join the
kingdom as a citizen or a
member of its army.

Stormhaven is a
roleplaying guild based
just north above the
Britain moongate, next to
the farms. This is a
guild started 5 years ago
and is once again
becoming active. We
offer assistance in
learning to roleplay for
those new to it, and
assistance in helping train
and raise skills. So if
you are interested in
joining, or just learning
about rp on uo, contact
our GM Leshok Majere
